- **Research interest**

Separation techniques, spectrophotometry, electrochemistry

Teaching

	Course Title
Undergraduate Courses (General Program)	601 General and Physical Chemistry
	602 Analytical Chemistry I
	605 Instrumental Analysis
	603 Analytical Chemistry II
	115 Quality Control and Quality Assurance
	604 Analytical Chemistry III
	Choose an item.
	Choose an item.
Undergraduate Courses (Clinical Program)	PC 101 Physical and Inorganic Chemistry
	PC 306 Pharmaceutical Analytical Chemistry-2
	PC 205 Pharmaceutical Analytical Chemistry-1
	PC 808 Pharmaceuticals Analysis and Quality Control
	Choose an item.
	Choose an item.
Postgraduate Courses	Choose an item.
	Choose an item.
	Quality control and quality assurance diploma

Career History and Professional Experience

Titles	
	Teaching assistant, analytical chemistry department, faculty of pharmacy, Cairo university
