

Curriculum Vitae

Name: Samar Farghali Farid
Title: Professor and Head of Department
Department: Clinical Pharmacy, Faculty of
Pharmacy, Cairo University
E-mail: samar.farid@pharma.cu.edu.eg

Education

● Academic Degrees

PhD

Oregon State University College of Pharmacy, 2000-2004

Master

Cairo University College of Pharmacy, 1993-1996

Bachelor

Cairo University College of Pharmacy, 1987-1992, (Excellent with honor)

● Research interest

Clinical pharmacy, Pharmacy practice, Clinical pharmacokinetics, Health Policies, Pharmacoeconomics

Curriculum Vitae

Teaching

	Course Title
Undergraduate Courses (General Program)	902 Hospital Pharmacy
	903 Community Pharmacy & Pharmacy Practice
	901 Clinical Pharmacy
	904 Drug Information
Undergraduate Courses (Clinical Program)	PP 012 Treatment of Cardiovascular Diseases
	PT 608 Community Pharmacy Practice
	PP 702 Clinical Pharmacy-1
	PP 703 Hospital Pharmacy
	PP 805 Clinical Pharmacy-2
Postgraduate Courses	2901 Clinical Pharmacy and Therapeutics-1
	2902 Clinical Pharmacokinetics
	2903 Clinical Pharmacy and Therapeutics-2
	2904 Pharmaceutical Care
	2905 Pharmacy Practice
	1901 Pharmacy Practice-1
	1905 Endocrinology
	1908 Pharmacy Practice-2

Curriculum Vitae

Career History and Professional Experience

Titles

- Founder and first head of the Department of Clinical Pharmacy, Faculty of Pharmacy, Cairo University.
- Member of Faculty of Pharmacy Council since 2009.
- Shared in designing Faculty of Pharmacy Pharm D program, bylaws and curricula.
- Shared in designing and writing the program bylaws for New Giza University.
- Consultant for pharmacoconomics training in Coventry and Bournemouth Universities.
- Keynote speaker in College of Pharmacy, Cairo University annual meeting and ACPID 2017 in Pharmacoconomics and solving the dilemma of limited healthcare resources.
- Member of the Research Ethics Committee of the College of Pharmacy, Cairo University 2011-present.
- Member of the Ethics Committee of the Center of Applied Research and Advanced Studies (CARAS), Cairo University 2009- present.
- Pharmacokinetic consultant at the Center of Applied Research and Advanced Studies (CARAS), Cairo University 2009.
- Member of The Clinical Pharmacy and Clinical Pharmacology Committee, Kasr El Aini Hospital, Cairo, Egypt 2007-2011.
- Lecturer at the Clinical Pharmacy Summer Course, Cairo University 2007.
- Lecturer at the Good Clinical Practice Program at the National Cancer Institute 2007.
- Trainer at the Health Education Seminars sponsored by Euro Health Group and Integrated Development Consultants, Cairo 2006-2007.
- Lecturer at the Clinical Pharmacy Summer Course, Cairo University 2006.
- Speaker at the annual meeting of the Egyptian Society of Hospital Pharmacists 2006
- Speaker at the annual meeting of the Egyptian Pharmaceutical Society 2004
- Investigational New Drug (IND) for The Food and Drug Administration (FDA) 2003.

Awards

- British Council Newton- Mosharrafa Institutional Links grant worth 290,000 GBP (pending security clearance)

Curriculum Vitae

- British Council Newton- Mosharrafa Institutional Links grant to train 20 Egyptian pharmacists in Pharmacoeconomics in Coventry and Bournemouth Universities, UK, 2015-2017.
- Best Department in International Publications award 2014 and 2016.
- Outstanding Award, College of Pharmacy, Cairo University, 2011 and 2013.
- Sponenburg Award, College of Pharmacy, Oregon State University, U.S.A. (2004).

Curriculum Vitae

Publications

1. A Zaki, **S Farid**. Topical Immunosuppressives in Ocular Surface Disorders (2007). *Med. J. Cairo Univ.* 75(4), 147-149.
2. I Ahmed, M Aboul-Einien, O Mohamed, **S Farid**. Relative bioavailability of griseofulvin lyophilized dry emulsion tablet vs. immediate release tablet: A single-dose, randomized, open-label, six-period, crossover study in healthy adult volunteers in the fasted and fed states (2008). *Eur. J. Pharm. Sci.* 35: 219-225.
3. **S Farid**, N Sabry. Childbearing and Use of Contraceptives: Factors Affecting the Use of Contraceptives by Egyptian Women (2008). *Med. J. Cairo Univ.* 76(4): 231-234.
4. A Zaki, **S Farid**. Management of Intraepithelial and Invasive Neoplasia of the Cornea and Conjunctiva: A Long-term Follow Up (2009). *Cornea* 28(9): 986-8.
5. N Sabry, **S Farid**, E Abdel Aziz. Role of the Pharmacist in Identification of Medication Related Problems in the ICU: A Preliminary Screening Study in an Egyptian Teaching Hospital (2009). *Aust. J. Basic and Appl. Sci.* 3(2): 995-1003.
6. S Abd El-Moniem, N Mohamed, A Zaki, **S Farid**. The relation between the serum level of tumor necrosis factor-alpha and the grade of retinopathy in Egyptian type 2 diabetic patients (2009). *Med. J. Cairo Univ.* 77(2): 21-25.
7. **S Farid**, M Abbassi, N Sabry, S Abd Elkhalek. Evaluation of Digoxin dosing in two Egyptian Hospitals- A pilot study. (2009) *Aust. J. Basic and Appl. Sci.* 3(3): 1838-1841.
8. A Zaki, **S Farid**. Subconjunctival bevacizumab for corneal neovascularization (2010). *Acta Ophthalmol.* 88(8):868-71.

Curriculum Vitae

9. M Saif, **S Farid**, S Khaleel, N Sabry, M El-Sayed. Hepatoprotective Efficacy of Ursodeoxycholic Acid in Pediatrics' Acute Lymphoblastic Leukemia (2012). *Pediatric Hematology and Oncology*, 29:627-32.
10. E Said, **S Farid**, N Sabry, M Fawzi. Comparison on Efficacy and Safety of Three Inpatient Insulin Regimens for Management of non-critical Patients with Type 2 Diabetes (2013). *Pharmacology and Pharmacy*, 4(7):556-65.
11. N Sabry, **S Farid**, D Dawoud. (2014) Antibiotic Dispensing in Egyptian Community Pharmacies: An Observational Study. *Research in Social and Administrative Pharmacy*, 10:168-184.
12. A Ali, **S Farid**, M Amin, M Kassem, N Al-Garem. Clinical Study on the Therapeutic Role of Midodrine in Non azotemic Cirrhotic Patients with Tense Ascites: A Double-Blind, Placebo-Controlled, Randomized Trial (2014). *Hepato-Gastroenterology*, 61:1567-76.
Poster published in *Journal of Hepatology* (2012) 56, S239.
13. N Sabry and **S Farid**. The role of clinical pharmacists as perceived by Egyptian physicians (2014). *International Journal of Pharmacy Practice*, 22:354-9.
14. A El Bastawisy, A Bahnasy, A El-Zeiny, **S Farid**. UGT1A1*28 Polymorphism in Advanced Colorectal Cancer: The Story Is Not Yet Ended (2014). *Journal of Cancer Therapy*, 5:53-59.
Abstract published in: *Journal of Clinical Oncology* 32(3):516.
15. W Harwan; M Abbassi; M El-Attar; **S Farid**, Pharmaco-economic study of antibiotics used in the treatment of lower respiratory tract infections in ICU patients: A case study in an Egyptian hospital (2014). *Bulletin of Faculty of Pharmacy, Cairo University*. 52(1):135-44.
16. A Ali, M Al-Ghobashy, **S Farid**, M Kassem. Development and validation of LC–MS/MS assay for the determination of the prodrug midodrine and its active metabolite desglymidodrine in plasma of ascitic patients: application to individualized therapy and comparative pharmacokinetics (2015). *Journal of Chromatography B* 991, 34-40.

Curriculum Vitae

17. M Wageh, M Abd Elghany, N Sabry, S Farid. The impact of 600 mg loading dose clopidogrel activity in diabetic and non-diabetic patients undergoing elective PCI (2016). *Minerva Cardioangiologica*. 64 (4), 375-382.
18. N Alraie, A Saad, N Sabry, **S Farid**. Adverse drug reactions reporting: a questionnaire-based study on Egyptian pharmacists' attitudes following an awareness workshop (2016). *Journal of evaluation in clinical practice* 22 (3), 349-355.
19. N Sabry, **S Farid**, D Dawoud. Drug related problems in cardiac children (2016). *Minerva Pediatrica*. 68 (2), 89-95.
20. S Alshabasy, M Abbassi, M Mohamed, **S Farid**. A pharmacokinetic study of digoxin holiday dosing practice in Egypt: A prospective-randomized trial (2016). *Bulletin of Faculty of Pharmacy, Cairo University* 54 (2), 157-164.
21. A Ali, **S Farid**, M Amin, M Kassem, N Al-Garem, M Al-Ghobashy. Comparative Clinical Pharmacokinetics of Midodrine and Its Active Metabolite Desglymidodrine in Cirrhotic Patients with Tense Ascites Versus Healthy Volunteers (2016). *Clinical drug investigation* 36 (2), 147-155.
22. M Mohareb, M Abd, N Sabry, **S Farid**. The impact of a 600-mg loading dose of clopidogrel in diabetic and non-diabetic patients undergoing elective PCI (2016). *Minerva cardioangiologica* 64 (4), 375-382.
23. A Abdelrahman, A Saad, N Sabry, **S Farid**. Perceptions of Egyptian physicians about drug shortage during political disturbances: Survey in Greater Cairo (2016). *Bulletin of Faculty of Pharmacy, Cairo University* 54 (2), 191-196.
24. A Abdel Magid, M Abbassi, E Iskander, O Mohamady, **S Farid**. Randomized comparative efficacy and safety study of intermittent simvastatin versus fenofibrate in hemodialysis (2017). *Journal of comparative effectiveness research* 6 (5), 413-424.

Curriculum Vitae

25. A Kamel, **S Farid**, A Attia, M Raziky. Association of vitamin D binding protein polymorphisms with response to therapy in Egyptian chronic hepatitis C patients (2017). *The Journal of Infection in Developing Countries* 11 (10), 781-790
26. E Bassiouny, M Abbassi, **S Farid**. When health policies and professional needs collide: A questionnaire-based study on pharmacy technicians in Egypt (2017). *International Journal of Pharmaceutical Sciences and Research* 8 (2), 883
27. N Elkassas, M Abbassi, **S Farid**. Evaluation of the physician's acceptance to clinical pharmacy interventions after antibiotic stewardship implementation in the ICU in a general hospital in Egypt (2018). *Bulletin of Faculty of Pharmacy, Cairo University*.
28. **S Farid**, M Elmahdawy, D Baines. A Systematic Review on the Extent and Quality of Pharmacoeconomic Publications in Egypt (2019). *Clinical drug investigation* 39 (2), 157-168.
29. S Farid (2019). Development of Therapeutic Guidelines. In Zaheer-Ud-Din Babar (Ed), *Encyclopedia of Pharmacy Practice and Clinical Pharmacy*. Elsevier- in print 2019.
